Conference Room
Conference Room

Mimi Duran
915.704.4681

FRIDAY'S

2 PM (UTEP CAMPUS)
School of Nursing

VIP Meetings enhance the social intelligence of our participants by engaging them in critical thinking workshops that develop them for the workforce. These community groups foster an intimate way to learn from others, be on time, work in groups, listen and speak in public. VIP meetings are mandatory for all participants to attend on a regular basis throughout their partnership with Project ARRIBA.
